SHEARING SPORTS NEW ZEALAND (SSNZ)

Acknowledges the support of Meat and Wool New Zealand
and Elders Primary Wool

AFFILIATION FEES / COMPETITOR LEVY

Fees are based on both shearing and woolhandling events at \$3.00 per competitor with a minimum fee of \$40.00 (GST excl).

The levy provides funds for the promotion of the sport and uniforms for national teams.

THE DIRECTORY

This publication is annually compiled by SSNZ.

SSNZ was formed in 1973 to promote, encourage and co-ordinate the activities of societies and or committees involved with the running of shearing and woolhandling competitions.

In producing this Directory, SSNZ gratefully acknowledge the hundreds of judges, woolgrowers, competitors and administrators who volunteer their time and skills to promote quality and efficiency in the woolharvesting and sheep meat sectors.

COMPETITION RESULTS

SSNZ Publicity Officer, Doug Laing

Is available to assist with publicity needs leading up to and after your competition, particularly in getting results to appropriate newspapers.

Shows catering for TAB sports betting must have all open entries in 14 days prior to the competition.

All competitions listed will receive an Affiliation and Levy remittance form and a results form prior the competition.

The remittance forms should be filled out and a cheque attached before returning to the SSNZ secretary.

The results form should be completed and faxed to Doug Laing by the Saturday evening or Sunday morning following the competition. Alternatively a phone call or email is great.

Remember fresh news is usable, anything older that 48 hours has almost lost its appeal!

WOOLHANDLING TIME POINTS

Time penalties will be calculated at the rate of 5 seconds per point to the following standard times. The standard times will be set at the referees/committees discretion.

Merino Wool:

- 1 Shearer within the range of 3 to 3.30 minutes
- 2 Shearer's up to 25% more of time set

Mid Micron and Crossbred Full Wool

- 1 Shearer within the range of 2 to 2.30 minutes
- 2 Shearer's up to 25% more of time set

2nd Shear and Lambs

- Between the range of 40 seconds to 1 minute

Competitors exceeding the standard time limit will be penalised at the rate of 1 point per second thereafter.

Teams Event:

A team will be made up of two shearers and two woolhandlers. Each team will shear and handle the wool from a minimum of six sheep.

Shearers are not allowed to assist woolhandlers with woolhandling. Woolhandlers can assist each other on the board or table when time permits.

Shearers may shear an uneven number of sheep.

TEAM POINTS

The shearers' points shall be left as actual penalty points and not divided by the number of sheep shorn.

The woolhandler's board, oddments and fleece points will be added together and then divided by 2.5.

One time will be taken for each team—from "GO" to the Woolhandler raising the broom at the rate of 10 secs/point.

NOTE: There will be occasions where the level of fault present in the wool means the woolhandler's points will be too high in relation to the shearers and time points. The woolhandling referee has the right to adjust the dividing factor on the woolhandler's points to a figure higher than 2.5. This figure should rarely exceed 4.0.

CHECKLIST FOR SHEARING & WOOLHANDLING COMMITTEES:

As a quick guide here is a checklist of the people and roles important for a smooth running competition:

- ⇒ Chairman responsible for coordination, program, presentations and gathering together a good team.
- ⇒ Secretary: Entries, results to Doug, cash prizes, judging stationary, judges etc.
- ⇒ Publicity Officer: Doug! Use him, he's great value.
- ⇒ Sheep Steward: responsible for securing the sheep, good preparation and selection for finals. Transport, unloading and loading, and any animal welfare issues.

Committee Checklist....cont

- ⇒ Sheep Steward: responsible for securing the sheep, good preparation and selection for finals. Transport, unloading and loading, and any animal welfare issues.
- ⇒ Pen Steward to ensure enough pen staff for the stock movement of shorn & woolly sheep—works closely with the sheep steward.
- ⇒ Wool Steward: ring the wool examiner for help here—wool containers, wool movers, stop watches. Pressing requirements with fadges, clips etc. A good wool judging area with tables and fadge holders. Press and presser.
- ⇒ Points Person: very important, computer generated results are always the best, but so are accurate manual points people. Copies of points for the finalists are always appreciated.
- ⇒ Presentation Steward: someone who knows what all goes together such as product, cash and ribbons—not an easy job. Nice to have a well laid table and a prepared presentation steward to ensure the presentation goes off well.
- ⇒ Catering: nothing goes well without good food for the hard working crew. This includes cold drinks for those hot days.
- ⇒ Draws Steward: this person will ensure the draws are made in a timely manner and will then attend to the blackboards with names clearly and correctly written.
- ⇒ Commentator: someone to ensure the day moves along and can keep the layperson informed as to what is going on. Also important in keeping our sponsors in front of the people.
- ⇒ Disputes Committee: not often this is needed, but you do need to be aware of who forms the make up of this body (Shearer / Woolhandler Rep).
- ⇒ One last tip, it's always helpful if the committee are conversant with the Directory—90% of the answers are at your fingertips, if not give you Regional Delegate a call, only to pleased to offer support.
- ⇒ **All A-grade Crossbred open shearing shows to run 10 sheep semi-final and other shows to run a minimum of 8 sheep semi-final where practical.**

PROGRAMME TIPS:

A professional image and presentation is important for the survival of our sport. Plan your competition with careful attention to detail so that you start on time and stay on time.

Understand that finals are the finale for the day, they deserve to be in prime time, think about the best timing for these events.

A sponsor who can appear in front of an enthusiastic crowd, will definitely want to be there again next year.

So our hot tips are:

- ⇒ Have a timetable, and be committed to sticking with it.
 - ⇒ Promote your show at preceding shows, especially the start time.
 - ⇒ Organise to have plenty of help.
 - ⇒ It's not your fault if people are late—the late junior shearer will just have to shear in the intermediate class!
 - ⇒ Aim to run the major finals at prime time 3pm-4pm. This is just before people start leaving for home.
 - ⇒ Schedule events to minimize delays.
 - ⇒ Keep the pace 'hot', a good commentator can help this.
 - ⇒ Be just as careful in your planning for the prize giving as for the actual shearing and woolhandling events. A lack of planning at the prize giving can cancel all the good work early on.
- ⇒ **Public Liability** all competitions are urged to check their public liability responsibilities and cover.

SSNZ encourages all show committees to promote their events through the media, if this is an issue, let Doug help you.

Often a good idea to have someone who has this as a dedicated responsibility.

Finally, please remember to get those results to Doug asap, after your competition.
